

# Rotary Park Restroom

## Project Description:

This project consisted of the demolition of the existing restroom and construction of a new, freestanding public restroom building. In addition to the restroom, a new lighting system to retrofit the existing adjoined open air pavilion was completed. A new concrete ADA-compliance sidewalk was constructed. All of the work was completed while the park remained open to the public.

## Design Team:

Lyle Cook Martin Architects

## Total Project Cost:

\$331,158

## Contractor Team:

Fellowship Construction

## Completion Date:

December 2014

Carolyn Bowers  
County Mayor

Nick Powell, P.E.  
County Engineer
