

PSC HVAC Renovation

Project Description:

This project upgraded the existing HVAC system for the Public Safety Complex. It included the removal of all existing HVAC systems and replaced with new variable refrigerant volume (VRV) type equipment. The work was phased to cause the least amount of disruption as possible while the building remained occupied and in use at all times.

Design Team:
WBW Engineering

Total Project Cost:
\$682,978

Contractor Team:
Morton Mechanical

Completion Date:
April 2016

Jim Durrett
County Mayor

Nick Powell, P.E.
County Engineer
