

# RichEllen Park

## Project Description:

- RichEllen Park is the first park available for the residents on the south side of the river.
- The park is built on 51 acres of previously undeveloped land.
- The park boasts 8 little league baseball/softball fields, 1.4 miles of walking trails, a community room, a large pavilion, a little league storage area, state of the art park furnishings, and satellite controlled lighting.
- The first phase of RichEllen Park was completed in the summer of 2014.
- The park has three playground areas; one main playground and two satellite playgrounds. The main playground includes a picnic shelter structure.
- The total project cost stands at \$10.5 million.
