### **Storm Water Detention/Retention Pond Certification**

I, \_\_\_\_\_, have reviewed the “As-Built” topographic plans and conducted a field verification of the “As-Built” plans for the detention/retention pond and outlet structure and hereby certify that the detention pond located at

Latitude \_\_\_\_\_ Longitude \_\_\_\_\_ was

built in accordance with the approved plans and functions as designed. In addition, I certify that during the field verification on \_\_\_\_\_ the banks of the pond were stable, with no signs of erosion and sediment buildup was less than 10% of the designed maximum sediment load. I have also verified that the post-development discharges are less than pre-development.
